From the Nominating Committee, Already our church year is over half over! Looking ahead, your Nominating Committee is preparing a new list of officers and teachers to present to the church. First let me say we seriously appreciate all of you who have faithfully and diligently worked this year, serving God through serving His church. As we prepare for the coming year, if you feel called to continue in your current position, please let us know. But, we also realize at times, God calls us to serve in new and different roles in church life. If you feel that is what God is calling you to do, please share that with the committee. If you are a member of Macedonia church and not serving in any leadership role but feel called to do so, there are always areas of service open.

Please let us know! I Cor 12:18 " But as it is, God has arranged each one of the parts in the body just as He wanted."

Because of the current difficulties in the church that has led to difficulty of preparation and able to staff VBS, the VBS team and myself have made the hard decision to have to cancel VBS this year. This is not what we wanted, but it is a reality that we are facing. We always want to be our best and have our hearts in the work of ministry, and this season has been very difficult for many and has caused some of our volunteers to inform us that they won't be able to serve.

- Pastor Chris Gravning and the VBS Leadership Team
